Book Description

If animals could talk, what would they say? Find out in this hilarious book appropriate for all ages! (Definitely not for all ages.) Born from their hit Tumblr blog, “If ____ Could Talk”, Carla and Josh use their witty writing and unique illustration style to dive deep into the minds of your favorite animals. (Seriously, they get all up in there.) “If Animals Could Talk” is one of the rare books to be considered as both the Bees Knees AND the Cats Meow. Even Grumpy Cat is a follower! Featuring nearly 100 original illustrations including Tumblr favorites and new never-before-seen artwork, “If Animals Could Talk” is the perfect addition to your collection of talking animal books. Oh, you don’t have a talking animal book? Hmm, you don’t say...
