Book Description

Now a major motion picture: Love, Simon, starring Nick Robinson and Katherine Langford! William C. Morris Award Winner: Best Young Adult Debut of the Year * National Book Award Longlist "A remarkable gift of a novel."—Andrew Smith, author of *Grasshopper Jungle* "I am so in love with this book."—Nina LaCour, author of *Hold Still* "Feels timelessly, effortlessly now."—Tim Federle, author of *Better Nate Than Ever* "The best kind of love story."—Alex Sanchez, Lambda Award-winning author of *Rainbow Boys* and *Boyfriends with Girlfriends* Sixteen-year-old and not-so-openly gay Simon Spier prefers to save his drama for the school musical. But when an email falls into the wrong hands, his secret is at risk of being thrust into the spotlight. Now change-averse Simon has to find a way to step out of his comfort zone before he's pushed out—without alienating his friends, compromising himself, or fumbling a shot at happiness with the most confusing, adorable guy he's never met. Incredibly funny and poignant, this twenty-first-century coming-of-age, coming out story—wrapped in a geek romance—is a knockout of a debut novel by Becky Albertalli. And don't miss Becky Albertalli's *The Upside of Unrequited* or *Leah on the Offbeat*!
